

YOUR LOCAL GROUP NEEDS YOU!

We have eight volunteer-run groups across Worcestershire that offer talks, walks and other activities for people in their areas.

Droitwich Local Group is currently without committee members and without these, a local group cannot operate in your area. If you are interested in getting involved, potentially organising talks, walks or other activities in your local area, please contact us by **Friday 28th April 2023**. After this date, if there are no committee members the group will no longer run.

Thank you...

...to all the committee members over the years who have given their time to running the local group, engaging more people with nature in their local area. It has been a pleasure working with you.

What does being a committee member involve?

Being a committee member usually requires around one or two hours per week. You will be supported by the Trust in your role and you may be involved in...

Organising walks
and talks

Providing refreshments
at meetings

Engaging the local
community

Become a local group committee member
