

We're so close...

Great news! A new committee is getting underway for Bromsgrove Local Group.

This means that wonderful wildlife walks and talks can continue in your local area. Whilst preparations are underway to get things running, we're not quite there yet.

In the meantime, please check out our 'What's On' page for events across Worcestershire:

There's still time to get involved!

If you are interested in joining the new committee and supporting your local group, please contact:
