You will only be charged for the number of students present in the visit, assuming your numbers did not vary by more than 5 students from your original estimate.

### Cancellation Policy

**If you cancel within 10 working days of the session**, you will be charged the full amount for the session, because all the preparation work will have been done.

**If the visit is cancelled within 1 month** of the visit date you will be charged 50% for the session unless that date is subsequently filled by another booking.

**In the unlikely event that we cancel or terminate the session** or we feel the Leigh Brook is too fast and too deep, particularly after heavy rainfall and we feel it is unsafe to enter the water. In this case we would do our best to alter the content of the day, rearrange your visit or refund your deposit.

**We reserve the right to alter the content of the day**, particularly due to poorly equipped students, schools bringing fewer supervising staff or helpers than agreed or late arrival of the group. **Poorly equipped students may be unable to take part in sessions.**
