Winter 2020 News

We hope that you are all safe, well and have been able to access and enjoy our recently established online talks from the comfort of your own homes; feedback indicates that you have, which is fortunate because we have the following Zoom dates arranged!

Thursday 3rd December
Ed Drewitt - Urban Peregrines

Thursday 17th December
Michael Leach - A Natural History of Christmas

Our meetings have been going well – they all start at 7pm and we ask for a suggested donation of £2.50 per person viewing (the cost of coming to our usual monthly meetings). The talks themselves last for 40-45 minutes and there's time at the end for questions and answers with the speaker. The meetings open at 6.45pm for anyone who wishes to join a little early to catch up with friends and acquaintances.

In the current climate and in order to keep us all safe during these uncertain times, we are currently booking speakers for online talks into March

2021. We are really missing seeing you all at our indoor meetings but it's nice to see familiar faces in our Zoom meetings. Please check the Trust's events pages for information on all forthcoming talks and how to book...

@WorcsWT

More than ever, we hope that you're able to share Christmas with loved ones this year. Please stay safe and we look forward to welcoming you back to our indoor meetings at the Methodist Church Hall in Droitwich as soon as we can safely meet again.

Seasonal notes

The varied, some may say unpredictable weather, encountered recently, this autumn has made for bumper wildlife spotting opportunities, as you can see from some of the excellent photos, captured by some of our members.

Of course, the advancing autumn can only mean one thing...the Christmas season is almost upon us. We'd normally help to raise funds for the Trust's work by selling Christmas cards, calendars and more at our meetings so here's a timely reminder to support the Trust by purchasing quality cards, calendars, gifts and other merchandise. You can buy their cards from the Heritage Centre in Droitwich Spa town centre or go to the online shop and choose from a wider range of gifts www.worcswildlifetrust.co.uk/shop All for a good cause; one which we can all help with!

Sending you all our best wishes for what may be a most unusual festive season and hope you all have a healthy and happy 2021!

Out and about with Mike and Sue Jenkins
