

Welcome back
to Upton Warren

**Worcestershire
Wildlife Trust**

**It's been a while and we know that many of
you are keen to spend time here.**

**For the wellbeing of all our visitors and to
prevent overcrowding in the hides, please...**

Sitting-room only, please do not stand behind others

Please consider others and don't spend all your time
in one spot or in one hide

Please think about other visitors and wear a mask if
the windows have to be closed due to the weather

Use your own hand sanitiser before and after using
shared surfaces

Thank you
