

Worcester and Droitwich Local Group

Newsletter spring 2026

Worcestershire
Wildlife Trust

Can you spare a few hours each month to help people in Worcester and Droitwich learn more about wildlife and its conservation?

If you enjoy meeting people and have a passion for your local area, then this is the perfect opportunity for you.

The Worcester and Droitwich Local Group is being relaunched and Worcestershire's wildlife needs you to get involved.

With three new committee members already working hard to relaunch the group, there is ***an opportunity for five more volunteers*** to get onboard.

Once the group has relaunched, they will host a programme of regular wildlife-themed talks and, potentially, local walks too.

Committee roles include:

- Chairperson
- Treasurer
- Meetings organiser
- Speaker bookings
- Minute taker
- Making teas and coffees at meetings
- Writing this newsletter (three times per year)
- Attending events to promote the Trust and stand up for nature.

If you'd like to get involved please apply via the form found at the bottom of the Local Groups page of the Trust's website <https://www.worcswildlifetrust.co.uk/local-groups> and mention the Worcester and Droitwich Local Group committee.

If you have any questions, please email Liz at elizabeth@worcestershirowildlifetrust.org

GUIDELINE 16+

Many thanks to the team at Worcester Theatres for inviting us along to Huntingdon Hall to inspire people about wildlife before and after Matt Hobs' 100% Badgers performance.

Matt's sell-out 2025 Edinburgh Fringe stand-up comedy show takes a closer look at how the worlds of humans and badgers collide. We'll learn about European badgers and their dachshund nemeses, presidential American badgers, the internet sensation of honey badgers and many more.

Matt is a proud Bristolian, scientist and silly sausage. Following a PhD in Biochemistry, in 2012 Matt set about combining his two loves of stand-up comedy and science.
