

Practical conservation work parties

October - December 2026

Worcestershire
Wildlife Trust

Practical conservation volunteers spend their time helping us on our nature reserves.

It is an active role, great for keeping fit and a great way to socialise.

Our roving group meets twice a week and helps to manage sites all over the county. Once we have you registered on our emergency info and email list, there is no need to book and you can usually just turn up at Lower Smite Farm or meet us on site.

Alternatively, you can stick to one reserve and see it change through the seasons.

For any of our practical conservation groups you need to wear: fieldwork/gardening clothes, sturdy boots or wellingtons and gardening gloves. Waterproofs are also recommended.

Roving group tasks: October — December 2026

Date	Reserve	Task	Leader
Thursday 1st October	Monkwood	TBC	EW
Tuesday 6th	Newbourne Wood	Ride cutting	TW
Thursday 8th	Windmill Hill	Scrub control	ER

Please note: the Rovers walk will be held Tuesday 26th January 2027

Work Parties on Nature Reserves

Reserve work parties are a great way to look after wildlife local to you.

We have nature reserves across the county and many of them have a work party to help us maintain them on tasks such as coppicing, pond clearance, scrub management, fencing and invasive species removal. The groups are friendly, sociable and a great way of keeping fit.

Please get in touch at volunteer@worcestershireswildlifetrust.org or contact the reserve party leader. Please email the leader before attending for the first time

WEEKEND	RESERVE	CONTACT / LEADER	LOCATION (nearest town)	WHEN
Last Saturday of the month	Hill Court Farm 10.30-3pm	Sara Burton 07932 084016 wildmoonsara@gmail.com	Longdon GL20 6BD	All year
